

knee-deep in volcano

*

England, your stylised wedding pics

your truncated culture

The Prince of Denmark in Bombay

*

You England

You Matter

To Me You

England You

Matter, England

You matter to

Matter, me, England

You Matter, England

in the same way skin gets crispy in the sun

in the same way as a copy of a copy of a copy

in the same way as the Return of the Repressed

*

extract english fingers from welsh hands from british
arms

from brutish arms

from my european body from my brain

extract my bovril

extract the Victoria Line

the perfume of moss

*

You have been listening to

uncle Ben
uncle Chris
uncle Toby
uncle Rhodri

*

Oh my fossil culture: Oh William of Orange, Oh how
William of Normandy, Oh how William of Duchy and of
Kate.

William of Kate and of Duchy Bath Biscuits for Cheese.

*

Once there was David Blunkett in his castle in Sheffield.

Once, David of St David's of David's son Dafydd
of Davies's son

Of Davies now Davis now David Davis

the big David C

the big Davidses and

the big Davieses and their cousins

Oh Welsh longbowmen

Oh the druids of Ynys Môn_

*

I'd like to be seductive for how much more england do i
need?

can i piss in this pint, yes, you can
like a festoon

like summer festive happening. like curly hair
not like curly fries, like 1980s perm
like 1980s poem, like Kate Bush hair

*

You matter to me Bhutan
in some way
never having been to you, come to you,

Born in a barn in Bhutan
Verses
Born in a barn in Barnsley

Bhutanese Nationalism
is still Nationalism

*

Drunk my decaff diet coke today
Žižek would hate me

*

I look a bit Dutch,
I look a bit more Welsh,
Whatever, England's wedgefuck
Whatever
the demarcation
of where England's enforcement
Where England has been
around England's edges
around the toothy coasts
where shipwrecks_
where enforcement is wrecking

*

nothing glorious in its fishing industry
a frenzy, nothing glorious

I have never been to St Ives
I have never watched a live football match or cricket

So...
glint
glint
remove this culture from my eye

*

So
wedge wedge
deliver me into volcano

*

Imagine not being haunted by another language

Imagine not being haunted by another
another culture
an other

*

another
grievance

*

my country
my fellow fucks
my ownership

they don't owe you

*

All knees down now for Richard III
our *challenging times* and each different times
and challenges, anyway

I come to collect my horse

I come to collect my
grievance

I come to collect my propaganda
my closed circles

*

England, I need to make a list of everything

*

Yer olde Ange Land
 Wlad wlad
Granny was an Angeland
 Wlad wlad
No matter me Engeland
 Wlad wlad
Granny was a little Dutch girl
 Wlad wlad
until she was a refugee
